## Adventures on Houseboats...

Explore the natural beauty of Smith Mountain Lake aboard one of our fully appointed houseboats.

Houseboat vacations offer a wealth of outdoor enjoyment with family and friends.

## The way to experience Smith Mountain Lake!

Imagine cruising spectacular Smith Mountain Lake, a natural wonderland nestled in the heart of the Blue Ridge Mountains of Southwest Virginia.

Spending your vacation along the stretch of 500 miles of shoreline or anywhere on the 20,000 acres of water at Smith Mountain Lake is the ultimate vacation!

Take to the water for swimming, water-skiing, jet-skiing, sailing, boating, fishing or kayaking.

The lake offers great fishing. Citation size striped bass have made Smith Mountain Lake one of the hottest trophy fishing spots in the East!

Or, take to the skies for parasailing or an airplane ride. Then after a day on the links or the water, enjoy the view from a waterfront restaurant and "shop the shops" at Bridgewater Plaza.
